

What makes St. Francis one of the top hospitals for prostate surgery on Long Island?

Felix L. Badillo, M.D.
Chief of Urology

One of the top doctors in the country.

Dr. Badillo is recognized as one of America's Top Doctors by the Consumers' Research Council of America.

No surgeon is more skilled in the use of the da Vinci[®] Surgical System, a revolutionary robotic device that allows surgeons to perform prostate surgery in a manner never before possible.

In fact, in an area where practice makes perfect, Dr. Badillo has performed more robotic prostatectomies than any other surgeon on Long Island.
