FOR PATIENTS SCHEDULED AT THE DAY-OP CENTER

You are scheduled for a surgical procedure at the Urology Associates Day-Op Surgical Suite.

A nurse will be calling you to review the following:

- Do not eat or drink anything after midnight.
- A list of your medication and which medication you can and cannot take. (Medication you usually may take for your blood pressure, heart, thyroid, lungs and any medication you may take for Parkinson's)
- If you are a Diabetic, do not take any medication for Diabetes the day of the procedure.
- No aspirin or aspirin like products for at least a week prior. See drug list.
- Please arrange for transportation home with a responsible adult.

Your doctor may require you to have pre-admission clearance with your medical doctor, or you may need to have blood work done. Please have him fax the information to the office at: _____.

IF YOU HAVE ANY QUESTION PLEASE TO NOT HESITATE TO CALL THE NURSE AT _____ OR THE OFFICE AT 516-627-6188, EXT. 114

Please wear loose, comfortable clothing the day of your procedure. Please leave all valuables at home.

Your anesthesia will be provided by New York Cardiovascular Anesthesia, P.C. If you have any questions, call 516-627-6624.

Your insurance will be accepted as payment by New York Cardiovascular Anesthesia, P.C., minus any copays or deductibles, if Urology Associates is a participating provider in your plan.
